

Stephanie's Astrapia

Astrapia stephaniae

Probing a cluster of schefflera fruits, the male Stephanie's Astrapia pries individual fruits free and tosses them down his throat. From a perch at the edge of the cloud forest, his brilliant metallic blue-green throat sparkles with each turn of his head.

TheCornellLab 

Please enjoy this coloring page excerpted from *Birds of Paradise: A Coloring Expedition* coloring book from the Cornell Lab of Ornithology, published by Princeton University Press.

Take a mindful coloring journey into the pristine forests of the New Guinea region, home to the fascinating and visually stunning 39 birds-of-paradise. Join original expedition team leader and world expert on birds-of-paradise, Dr. Edwin Scholes, and renowned photojournalist Dr. Tim Laman, to experience the sheer beauty of these incredible creatures through coloring.

If you would like to purchase your own copy of *Birds of Paradise: A Coloring Expedition*, we invite you to visit www.CornellLabPG.com and use promo code **CLPG2020** to **SAVE 25%** on this and other Cornell Lab coloring books, puzzles, field guides, playing cards, children's books, and more when you spend a minimum of \$40. Offer valid through 12/31/20.
